Committed to Every Patient, Every Time

*We value the service
and commitment of
our volunteers!
They make the lives of
our patients and their
families brighter!*

Are you Friendly?
Do you like helping
others?
Do you want to be
part of a team?
Do you have a few
hours each week?
Do you want to be
involved?

Why Not Volunteer,
and make all the
Difference in the
World!!!

Memorial Hospital
and Manor
Auxiliary Volunteers

The American Red Cross Volunteer Group was organized in 1960 when Memorial Hospital and Manor opened. This group served as the welcoming committee for patients and visitors for many years. They also assisted hospital staff with health fairs and other special events. Although they were affectionately known as the "Grayladies," a few dedicated men joined the group and helped wherever they were needed.

The Memorial Hospital and Manor Auxiliary was established in 1998. They host fundraising events, and operate the facility's gift shop. The Auxiliary uses proceeds from their fund raising efforts to award scholarships to deserving students pursuing an education in various areas of healthcare. The Auxiliary also provides funding for special projects in the Hospital and Manor.

The Auxiliary and the American Red Cross Volunteers consolidated in June 2006, to form a united group of volunteers to serve in different areas of the hospital and nursing home. The Auxiliary has approximately 50 members serving Memorial Hospital and Manor and is a member of the Council on Auxiliaries/Volunteers of the Georgia Hospital Association.

From staffing information desks and the gift shop, to escorting patients to and from various hospital departments, our volunteers are an important part of our team. They are a group of men and women that share their time to direct visitors, answer inquiries, help customers in the gift shop, and assist patients. They donate hundreds of hours of service every year to help where they are needed most.

The Memorial Hospital and Manor Chaplains are volunteer clergy who are always just a phone call away in times of crisis or concern. Chaplains serve on a "call" basis and are available through the hospital operator.

Who Can Volunteer

Any adult or student age 16 and older may volunteer at Memorial Hospital and Manor. Volunteers are asked to dedicate some time to volunteering each week. Applicants should be dependable, responsible, and friendly. Volunteers must adhere to the policies and procedures of Memorial Hospital and Manor.

How To Volunteer

All volunteers in the Auxiliary, the Manor, or the Chaplains are required to participate in Memorial Hospital and Manor's application process. Our volunteers are a vital part of our facility, and we require that they go through a screening and training process prior to volunteering.

Interested individuals may apply to participate in the volunteer program by completing an application with the Human Resources Department. Part of the application process involves submitting to a criminal background check, drug screening, and special training on policies.

After the application process is complete, the Volunteer Services department will schedule training in any area of interest. After appropriate training is completed, volunteers are asked to work weekly if possible.
